

Reward program 2015 for the *Wangu* and *Lianjiang* Schools

As a part of the exchange program between the *Chongren Foundation* and the *Mingshan Education Bureau*, Dr. Mark Qiu launched in 2010 a reward program for outstanding teachers and students of the two schools. The purpose was to motivate both, teachers and students, to do their utmost in learning and teaching. The agreement, concluded for an initial period of two years, was further extended by mutual consent of the Education Bureau and the Chongren Foundation, given the high appreciation by all parties concerned, the Mingshan Education Bureau, the Chongren Foundation, the teachers and students.

Accordingly, Mr. Chen Yan and Erwin remitted, on behalf of the Foundation, a honorary credential to 10 teachers (6 from Wangu and 4 from Lianjiang) and to 17 students (10 from Wangu and 7 from Lianjiang), together with RMB 3200 to each teacher, resp. RMB 500 to each student. This fifth reward ceremony took place on the Children's Day 2015.

The students expressed their warm hearted thanks to the Chongren Foundation by a rich program of dances, songs, speeches and paintings.

Happy faces
all over !

Both students and teachers, appeared to understand well the incentive of the rewards inviting all to continue working hard to further improve their performance, be it as a teacher, be it as a student.

All attending the ceremony were visibly enjoying the very refreshing performances by the students.
